DIVING VACATIONS

GALÁPAGOS ECUADOR

A trip full of fun and Adrenaline on the "Liveaboard" boat touring the Galapagos Islands, one of the best places to dive in the world! This trip is listed by many expert divers as a **TOP WORLDWIDE**, if not the best for the great abundance of Mega Marine Fauna. Unlike boat diving, on Liveaboard it is possible to reach the Darwin and Wolf Islands, known worldwide for the large amount of marine life, great schools of hammerhead sharks and whale sharks as well.

MAR ROJO EGIPTO

The Red Sea is one of the best known and most visited diving destinations in the world, full of adventure and relaxation.

Egypt is so rich in marine life as in history and culture. Live an unforgettable experience with the advice and support of Peru's leading dive center.

Experience a "**Liveaboard**" boat diving trip with accommodation, meals and dives on board, all inclusive

ISLA SOCORRO MÉXICO

Socorro Island is part of the Revillagigedo archipelago, a group of small islands off the coast of Baja California, Mexico. Dive sites include Socorro, San Benedict and Roca Partida.

The adventure includes 4 dives per day, and each one is a great opportunity to meet the local residents. The visibility Average ranges from 20 to 35 meters and the average water temperature for February is 23 degrees

RIVERA MAYA MÉXICO

It is a selection of spectacular places to dive, such as the Santa Rosa wall, the gardens of Palancar, the reef of Colombia and many more with abundant marine life and thriving reefs of coral. It has crystal clear waters for incredible visibility, as if nature knew that so much beauty deserves to be seen as clearly as possible on almost every dive.

ISLAS COIBA PANAMÁ

If what you are looking for is to connect with nature not only under water but on land, this is the best place to dive, Panama. Panama has an abundance of life and incredible landscapes of many Virgin Islands. 75% of the islands have virgin forests full of exotic birds and other animals thanks to the creation of a penal colony on the Island of Coiba (1919-1991). In addition, in 2005 UNESCO declared the National Coiba Park World Heritage Site, and it is here where we do all of our dives.

MALDIVES

Maldives is a very special destination, on the bucket list of many divers. It is a tropical country in the Indian Ocean with 26 ring-shaped atolls that comprise more than 1,200 islands. It is known for its spectacular turquoise water beaches, blue lagoons and the extensive reefs; also, for being a world paradise for diving. Experience a "Liveaboard" Boat Dive Trip with lodging, meals and dives to on board, all inclusive.
